

Mission Possible Canada

Electronic Funds Transfer (EFT) /Pre-authorized Withdrawal

At the request of our sponsors and donors, Mission Possible Canada is offering EFT/Pre-authorized withdrawal as a simple and reliable way of sending your monthly support. When you enroll for EFT, you no longer will have to write a cheque; your monthly sponsorship payments and gifts will be transferred automatically to Mission Possible Canada from your chequing or savings account on the 10th day of each month or the next banking day.

The record of your gift will appear on your monthly bank statement. In addition, you will continue to receive monthly receipts for your records. Your automatic contributions will continue until you notify us in writing that you wish to change the amount or withdraw from this service.

It is easy to get started.

- **Complete the authorization form shown below.**
- **Indicate the month you would like your deductions to start.**
- **Attach a voided blank cheque if using your chequing account. For a savings account, attach a savings deposit slip which includes branch, institution & account numbers.**
- **Return this form along with your voided cheque or deposit slip.**

Please allow 30 days for this authorization to become effective. Question? Please call 548-384-9749.
